

这是一套抽油烟机专用触摸式控制面板套装，包含电源主板与带数显的触摸按键板，支持档位显示与轻触操控，是抽油烟机的核心控制配件，适配多数主流机型，兼具供电保护与智能控制功能。

This is a touch control panel set specially designed for range hoods, including a power mainboard and a touch key board with digital display. It supports gear display and touch control, serving as the core control accessory for range hoods, compatible with most mainstream models, with power supply protection and intelligent control functions.
