

抽油烟机控制面板系列本系列为抽油烟机专用触摸控制板套装，是设备的核心控制部件。采用弹簧触摸按键，防水防尘，适配厨房油污环境；集成电源转换与保护电路，稳定控制电源、风机档位、照明等功能，RoHS 认证，通用接口，适配多数主流机型，是生产与维修的理想配件。

Control Panel Series for Range HoodsThis series consists of touch control board sets specially designed for range hoods, serving as the core control component. Featuring spring touch keys, they are waterproof, dustproof and suitable for oily kitchen environments. With integrated power conversion and protection circuits, they stably control power, fan speed, lighting and more. RoHS certified with universal interfaces, they fit most mainstream models, making them ideal accessories for production and maintenance.
